Labor Commissioner, State of California
Civil Wage and Penalty Assessment Review Office

Sacramento, CA 95825

A Request for Review either shall clearly identify the Civil Wage and Penalty Assessment from which review is sought, including the date of the assessment, or it shall include a copy of the assessment as an attachment, and shall also set forth the basis upon which the assessment is being contested. In accordance with Labor Code section 1742, the contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the Labor Commissioner's receipt of the written **Request for Review**.

Failure by a contractor or subcontractor to submit a timely Request for Review will result in a final order which shall be binding on the contractor and subcontractor, and which shall also be binding, with respect to the amount due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. Labor Code section 1743.

In accordance with Labor Code section 1742(d), a certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the State against the person assessed in the amount shown on the certified order.

The undertaking must provide that if the contractor fails to pay the amount owed within 10 days of the date the decision is final or the execution of the settlement agreement, a portion of the undertaking equal to the amount owed, or the entire undertaking if the amount owed exceeds the undertaking, is forfeited to the Labor Commissioner to satisfy the amounts owed under the CWPA.
